

Really excellent company. The staff are extremely knowledgeable and helpful. I will certainly be going back there in future!

ANNIE THOMPSON - GOOGLE REVIEW

ABOUT US

We pride ourselves on service of the highest standards, and with over 35 years experience in the purchasing of fastenings and special turned parts from around the world, we are sure we can cater for anyone's requirements.

Whether the request is for a one off bolt, nut or screw or you're ordering a million, the service is the same - *it's your custom we serve not the volume.*
